## FACILITIES

Our Lincoln Lodge is perfect for your wedding ceremony and/or the reception. Tables and camp chairs are available for you to use for up to 250 guests. Our outdoor spaces are also available and full of creative possibilities for your decorating!

## FOOD & DRINK

You can use any caterer that you wish. Our kitchen facilities are not available for use though, except for keeping perishables cold. You may bring alcohol in; however an Iowa liquor license is needed if alcohol is being sold.

## LODGING

Make it simple! Our cabins are available to rent for your guests. They are arranged in dormitory bunk style, and can hold up to 16 people. Cabins have heat, air conditioning, bathrooms, and showers. If cabins are rented, we will also include a private room in the Lodge for the bride and groom!
